#### ADD/ADHD Evaluation and Treatment

Below is some important information to help us evaluate and treat your child that may or has been diagnosed with ADD/ADHD:

#### Vanderbilt Teacher Behavior Scale:

**Teacher Vanderbilts** are required at EVERY ADD/ADHD appointment especially those appointments where you child may be having problems with the medication or you are wanting to increase a dose.

*Appointments will be rescheduled if you do not have the Teacher Vanderbilts.*

#### Appointments:

We require all patients being treated for ADD/ADHD to have 4 visits per year, 3 visits scheduled will be for re-evaluation of your child's medication and progress. The fourth visit will be for a complete physical (or wellness exam). Physical exams are done separately due to the number of issues that we need to address such as growth, nutrition, and pre-puberty issues. We encourage you to schedule the physical exams during the early spring through summer months due to your wait time may be lessened.

#### Prescription Request:

Oconee Pediatrics uses a [medication request form](#) so that we may follow your child's progress each month without having to actually see them in the office. We ask that you fill the form out completely and that you give us **48 hours (2 business days)** notice so that the provider will have ample time to review and e-prescribe your request. The forms are available at the front check in or on our website. You may complete the form and turn it in at the office, fax, or email your request.

**\*\*Please note that if you fax or email your request, please call the office to ensure it was received. \*\***

**\*\*Please note that we electronically prescribe the medication. *We require 2 business days after receiving the medication request to send it to the pharmacy* \*\***

**\*\* We are requesting that you write your pharmacy on the medication request form. If you leave the pharmacy blank, the prescription will be sent to the last pharmacy on file and you will need to pick it up there. **WE CANNOT TRANSFER OR CANCEL A PRESCRIPTION ONCE IT HAS BEEN SENT** \*\***

As always, thank you for entrusting Oconee Pediatrics to care for your child.

Oconee Pediatrics

**\*\*PLEASE NOTE: THERE IS A \$50.00 DEPOSIT TO SET THE APPOINTMENT FOR THIS EVALUATION AFTER IT HAS BEEN REVIEWED. IF YOU DO NOT SHOW FOR THE APPOINTMENT OR CANCEL THE APPOINTMENT WITH A 48 HOUR NOTICE, THE DEPOSIT IS NON-REFUNDABLE. THE DEPOSIT IS REFUNDED SAME DAY AS APPT\*\***

### ADD/ADHD EVALUATION BRIEF HISTORY FORM

Date: \_\_\_\_\_ Form completed by: \_\_\_\_\_

Child's Name: \_\_\_\_\_ DOB: \_\_\_\_\_

Child's School: \_\_\_\_\_ Grade: \_\_\_\_\_

Teacher's Name: \_\_\_\_\_

Fathers' Name: \_\_\_\_\_ Mothers' Name: \_\_\_\_\_

Best Phone number for daytime contact: (\_\_\_\_) \_\_\_\_\_

With whom does the child live: (both parents, mother, father, foster parents, ETC)

\_\_\_\_\_

Please list the child's major problem or concern with which you are seeking an evaluation or assistance with:

| Problem | Age Noted | Diagnosis if known |
|---------|-----------|--------------------|
| _____   | _____     | _____              |
| _____   | _____     | _____              |
| _____   | _____     | _____              |
| _____   | _____     | _____              |

Please describe any family problems such as a death, serious illness, accidents, marital conflicts, or upsetting separation of child from primary caregivers that you feel may have affected your child:

\_\_\_\_\_

Has your child previously been evaluated or treated for ADD/ADHD, or Behavioral Issues?

YES NO -If yes, please give detail of where, when and diagnosis that was made and by whom:

\_\_\_\_\_

Family History of Mental Health or Psychiatric Illness:

\_\_\_\_\_

**\*\*On the day of the appointment ONLY bring the child that has evaluation please. Parents/primary caregiver must be in attendance. If you come with other siblings, the appointment may be rescheduled. \*\***

OFFICE USE ONLY: Scheduling Notes

# NICHQ Vanderbilt Assessment Scale—PARENT Informant

Today's Date: \_\_\_\_\_ Child's Name: \_\_\_\_\_ Date of Birth: \_\_\_\_\_

Parent's Name: \_\_\_\_\_ Parent's Phone Number: \_\_\_\_\_

**Directions:** Each rating should be considered in the context of what is appropriate for the age of your child.  
When completing this form, please think about your child's behaviors in the past 6 months.

Is this evaluation based on a time when the child ☐ was on medication ☐ was not on medication ☐ not sure?

| Symptoms                                                                                                                      | Never | Occasionally | Often | Very Often |
|-------------------------------------------------------------------------------------------------------------------------------|-------|--------------|-------|------------|
| 1. Does not pay attention to details or makes careless mistakes with, for example, homework                                   | 0     | 1            | 2     | 3          |
| 2. Has difficulty keeping attention to what needs to be done                                                                  | 0     | 1            | 2     | 3          |
| 3. Does not seem to listen when spoken to directly                                                                            | 0     | 1            | 2     | 3          |
| 4. Does not follow through when given directions and fails to finish activities (not due to refusal or failure to understand) | 0     | 1            | 2     | 3          |
| 5. Has difficulty organizing tasks and activities                                                                             | 0     | 1            | 2     | 3          |
| 6. Avoids, dislikes, or does not want to start tasks that require ongoing mental effort                                       | 0     | 1            | 2     | 3          |
| 7. Loses things necessary for tasks or activities (toys, assignments, pencils, or books)                                      | 0     | 1            | 2     | 3          |
| 8. Is easily distracted by noises or other stimuli                                                                            | 0     | 1            | 2     | 3          |
| 9. Is forgetful in daily activities                                                                                           | 0     | 1            | 2     | 3          |
| 10. Fidgets with hands or feet or squirms in seat                                                                             | 0     | 1            | 2     | 3          |
| 11. Leaves seat when remaining seated is expected                                                                             | 0     | 1            | 2     | 3          |
| 12. Runs about or climbs too much when remaining seated is expected                                                           | 0     | 1            | 2     | 3          |
| 13. Has difficulty playing or beginning quiet play activities                                                                 | 0     | 1            | 2     | 3          |
| 14. Is "on the go" or often acts as if "driven by a motor"                                                                    | 0     | 1            | 2     | 3          |
| 15. Talks too much                                                                                                            | 0     | 1            | 2     | 3          |
| 16. Blurts out answers before questions have been completed                                                                   | 0     | 1            | 2     | 3          |
| 17. Has difficulty waiting his or her turn                                                                                    | 0     | 1            | 2     | 3          |
| 18. Interrupts or intrudes in on others' conversations and/or activities                                                      | 0     | 1            | 2     | 3          |
| 19. Argues with adults                                                                                                        | 0     | 1            | 2     | 3          |
| 20. Loses temper                                                                                                              | 0     | 1            | 2     | 3          |
| 21. Actively defies or refuses to go along with adults' requests or rules                                                     | 0     | 1            | 2     | 3          |
| 22. Deliberately annoys people                                                                                                | 0     | 1            | 2     | 3          |
| 23. Blames others for his or her mistakes or misbehaviors                                                                     | 0     | 1            | 2     | 3          |
| 24. Is touchy or easily annoyed by others                                                                                     | 0     | 1            | 2     | 3          |
| 25. Is angry or resentful                                                                                                     | 0     | 1            | 2     | 3          |
| 26. Is spiteful and wants to get even                                                                                         | 0     | 1            | 2     | 3          |
| 27. Bullies, threatens, or intimidates others                                                                                 | 0     | 1            | 2     | 3          |
| 28. Starts physical fights                                                                                                    | 0     | 1            | 2     | 3          |
| 29. Lies to get out of trouble or to avoid obligations (ie, "cons" others)                                                    | 0     | 1            | 2     | 3          |
| 30. Is truant from school (skips school) without permission                                                                   | 0     | 1            | 2     | 3          |
| 31. Is physically cruel to people                                                                                             | 0     | 1            | 2     | 3          |
| 32. Has stolen things that have value                                                                                         | 0     | 1            | 2     | 3          |

Please indicate the number of weeks or months you have been able to evaluate the behaviors: \_\_\_\_\_.

Is this evaluation based on a time when the child ☐ was on medication ☐ was not on medication ☐ not sure?

| Symptoms                                                                                                                              | Never | Occasionally | Often | Very Often |
|---------------------------------------------------------------------------------------------------------------------------------------|-------|--------------|-------|------------|
| 1. Fails to give attention to details or makes careless mistakes in schoolwork                                                        | 0     | 1            | 2     | 3          |
| 2. Has difficulty sustaining attention to tasks or activities                                                                         | 0     | 1            | 2     | 3          |
| 3. Does not seem to listen when spoken to directly                                                                                    | 0     | 1            | 2     | 3          |
| 4. Does not follow through on instructions and fails to finish schoolwork (not due to oppositional behavior or failure to understand) | 0     | 1            | 2     | 3          |
| 5. Has difficulty organizing tasks and activities                                                                                     | 0     | 1            | 2     | 3          |
| 6. Avoids, dislikes, or is reluctant to engage in tasks that require sustained mental effort                                          | 0     | 1            | 2     | 3          |
| 7. Loses things necessary for tasks or activities (school assignments, pencils, or books)                                             | 0     | 1            | 2     | 3          |
| 8. Is easily distracted by extraneous stimuli                                                                                         | 0     | 1            | 2     | 3          |
| 9. Is forgetful in daily activities                                                                                                   | 0     | 1            | 2     | 3          |
| 10. Fidgets with hands or feet or squirms in seat                                                                                     | 0     | 1            | 2     | 3          |
| 11. Leaves seat in classroom or in other situations in which remaining seated is expected                                             | 0     | 1            | 2     | 3          |
| 12. Runs about or climbs excessively in situations in which remaining seated is expected                                              | 0     | 1            | 2     | 3          |
| 13. Has difficulty playing or engaging in leisure activities quietly                                                                  | 0     | 1            | 2     | 3          |
| 14. Is "on the go" or often acts as if "driven by a motor"                                                                            | 0     | 1            | 2     | 3          |
| 15. Talks excessively                                                                                                                 | 0     | 1            | 2     | 3          |
| 16. Blurts out answers before questions have been completed                                                                           | 0     | 1            | 2     | 3          |
| 17. Has difficulty waiting in line                                                                                                    | 0     | 1            | 2     | 3          |
| 18. Interrupts or intrudes on others (eg, butts into conversations/games)                                                             | 0     | 1            | 2     | 3          |
| 19. Loses temper                                                                                                                      | 0     | 1            | 2     | 3          |
| 20. Actively defies or refuses to comply with adult's requests or rules                                                               | 0     | 1            | 2     | 3          |
| 21. Is angry or resentful                                                                                                             | 0     | 1            | 2     | 3          |
| 22. Is spiteful and vindictive                                                                                                        | 0     | 1            | 2     | 3          |
| 23. Bullies, threatens, or intimidates others                                                                                         | 0     | 1            | 2     | 3          |
| 24. Initiates physical fights                                                                                                         | 0     | 1            | 2     | 3          |
| 25. Lies to obtain goods for favors or to avoid obligations (eg, "cons" others)                                                       | 0     | 1            | 2     | 3          |
| 26. Is physically cruel to people                                                                                                     | 0     | 1            | 2     | 3          |
| 27. Has stolen items of nontrivial value                                                                                              | 0     | 1            | 2     | 3          |
| 28. Deliberately destroys others' property                                                                                            | 0     | 1            | 2     | 3          |
| 29. Is fearful, anxious, or worried                                                                                                   | 0     | 1            | 2     | 3          |
| 30. Is self-conscious or easily embarrassed                                                                                           | 0     | 1            | 2     | 3          |
| 31. Is afraid to try new things for fear of making mistakes                                                                           | 0     | 1            | 2     | 3          |

The recommendations in this publication do not indicate an exclusive course of treatment or serve as a standard of medical care. Variations, taking into account individual circumstances, may be appropriate.

| 5. Has difficulty organizing tasks and activities                                                                                     | 0     | 1            | 2     | 3          |
| 6. Avoids, dislikes, or is reluctant to engage in tasks that require sustained mental effort                                          | 0     | 1            | 2     | 3          |
| 7. Loses things necessary for tasks or activities (school assignments, pencils, or books)                                             | 0     | 1            | 2     | 3          |
| 8. Is easily distracted by extraneous stimuli                                                                                         | 0     | 1            | 2     | 3          |
| 9. Is forgetful in daily activities                                                                                                   | 0     | 1            | 2     | 3          |
| 10. Fidgets with hands or feet or squirms in seat                                                                                     | 0     | 1            | 2     | 3          |
| 11. Leaves seat in classroom or in other situations in which remaining seated is expected                                             | 0     | 1            | 2     | 3          |
| 12. Runs about or climbs excessively in situations in which remaining seated is expected                                              | 0     | 1            | 2     | 3          |
| 13. Has difficulty playing or engaging in leisure activities quietly                                                                  | 0     | 1            | 2     | 3          |
| 14. Is "on the go" or often acts as if "driven by a motor"                                                                            | 0     | 1            | 2     | 3          |
| 15. Talks excessively                                                                                                                 | 0     | 1            | 2     | 3          |
| 16. Blurts out answers before questions have been completed                                                                           | 0     | 1            | 2     | 3          |
| 17. Has difficulty waiting in line                                                                                                    | 0     | 1            | 2     | 3          |
| 18. Interrupts or intrudes on others (eg, butts into conversations/games)                                                             | 0     | 1            | 2     | 3          |
| 19. Loses temper                                                                                                                      | 0     | 1            | 2     | 3          |
| 20. Actively defies or refuses to comply with adult's requests or rules                                                               | 0     | 1            | 2     | 3          |
| 21. Is angry or resentful                                                                                                             | 0     | 1            | 2     | 3          |
| 22. Is spiteful and vindictive                                                                                                        | 0     | 1            | 2     | 3          |
| 23. Bullies, threatens, or intimidates others                                                                                         | 0     | 1            | 2     | 3          |
| 24. Initiates physical fights                                                                                                         | 0     | 1            | 2     | 3          |
| 25. Lies to obtain goods for favors or to avoid obligations (eg, "cons" others)                                                       | 0     | 1            | 2     | 3          |
| 26. Is physically cruel to people                                                                                                     | 0     | 1            | 2     | 3          |
| 27. Has stolen items of nontrivial value                                                                                              | 0     | 1            | 2     | 3          |
| 28. Deliberately destroys others' property                                                                                            | 0     | 1            | 2     | 3          |
| 29. Is fearful, anxious, or worried                                                                                                   | 0     | 1            | 2     | 3          |
| 30. Is self-conscious or easily embarrassed                                                                                           | 0     | 1            | 2     | 3          |
| 31. Is afraid to try new things for fear of making mistakes                                                                           | 0     | 1            | 2     | 3          |

The recommendations in this publication do not indicate an exclusive course of treatment or serve as a standard of medical care. Variations, taking into account individual circumstances, may be appropriate.
